Eagle Mermen To Seek Revenge For First Loss

LAST MEET BEFORE THE STATE CONTEST

Morehead To Be Host May 15 To Other Colleges

Morehead's Mermen, with the knowledge that they are to be host to Kentucky Intercollegiate Athletic Conference swimmers May 15, got to the mat with the University of Kentucky Independents here May 11 in the last dual meet of the season for both teams.

In this affair before the climax of the state meet, the Eagles were battling to finish the season all even in the won and lost column as well as nullify a 41 to 26 setback administered by the U. of K. tanksters in the initial fracas between the two.

After much a bad start, the Mermen came back in their second tilt to dunk Eastern into its discard by a close 28 to 27 verdict. However the feel of victory was short-lived, before the thrill had quite penetrated the waterlogged hides of the illustrious Eagles, Bera's aqua stars dashed cold water on the rising hopes of the exultant warriors of the Blue and Gold. Coming from behind, after trailing for the major part of the exciting fray, the Mountaineers put on a piratical finish in the 180 yd. mottle relay to eke out a hard-earned 34 to 32 decision.

Tied Eastern
In a return match with Eastern there, and with the new system of scoring a dual meet, the Eagles had further coils heaped on their heads, as a battling marathon much the more fought them to a standstill. The final count of this affair was a 33 to 33 tie.

James Claborn contended that the boys from Perry will be just as many grade school kids trying to learn the hard-learned zone in competition to their polished stars. Two or three have half-jokingly suggested that the Perry side be given a ten-point handicap. On the other hand the county elimination winners contended that the odds might well be as easy as
